

BA Glass presents FUTURA PROGRAM 2023 Edition

The Futura Program aims to attract and integrate, within BA Glass Group, young talent like you, who aspires to develop behavioural and technical skills in an industrial environment, with an extensive intercultural network.

This year's edition will be divided by the Operational and Corporate areas.

You are the one if you:

- have a fresh, bold and challenging attitude
- are naturally curious for digitalization and innovation
- would like to work with an international environment
- are fascinated for the manufacturing processes
- have a hands-on attitude
- would like to be part of a moment of changing in a industry 4.0 environment
- hold a Bachelor's or Master's degree (e.g.: Engineering, Management, Economics, Computer Science, Data Analysis)
- have up to 2 years of professional work experience
- are English proficient (other languages will be a plus)
- are willing to travel

What can you expect from this challenge?

- be integrated in areas such as: production, quality, maintenance, digitalization, business development, finance, IT, supply schain or another one that you can fit!
- to support daily operations
- to participate in Continuous Improvement and Industry 4.0 projects

Full-time Position

Duration: 9 months

Start Date: September 2023

Location: Avintes, Marinha Grande or Lisboa

If you believe you have the indicated profile to apply for one of these areas, join us! We are looking forward to meeting you!

Send us your CV to recursoshumanos@baglass.com

It's time to reach for the stars... Embrace the adventure!
