

Conference Chair

Prof. Dr. Esmail Jabbari

Conference Sessions

- Structure and Properties of Gels and Hydrogels
- Xerogels, Aerogels, Organogels and Their Applications
- Gels in Agriculture and Food
- Gels in Medicine and Pharmacy
- Hydrogels in Regenerative Medicine and Auto-Healing Gels
- Gels in Energy Industry

Deadlines

Abstract Submission:
04 August 2025

Acceptance Notification:
04 September 2025

Registration:
28 November 2025

gels

Organizer:

Gels (ISSN 2310-2861) is an international, open access journal on physical (supramolecular) and chemical gel-based materials. The journal is published monthly online by MDPI. *Gels* aims to serve as a reference journal with a focus on gel materials for researchers working in both academia and industry.
